### **Grand Knight's Letter**

Hello Brother Knights,

Hello Brother Knights,

This is my last Outer Guard message as your Grand Knight!!!

OK, stop Snoopy dancing before your family has you arrested!!! Cool it with the cheering, I can hear you over here on Buena Vista Street!!!

That's correct, no more brow beating about membership goals! No more pleas for working sweaty hot events! No more appealing for your rosary bead assistance on the curb at the Granite City Abortion Mill! No more constant pinging on your mobile device or laptop as the weekly flood of emails from me hit your inbox at all hours of the day and night!

Let's all take a moment of silent prayer and thank our Good Lord for aiding all of us in "bringing to a close" another successful 1143 Fraternal Year!

What the first sentence of this email should have been is a repetitive, "THANK YOU, THANK YOU, THANK YOU, THANK YOU! Not one program, not one event, not one meeting, not one special moment, happens this past year, within this Council, without your tremendous work and support. I am in awe of the dedication, work ethic, effort to do good, the charitable

hearts I have witnessed and the demonstration of unity, fraternalism, and brotherhood this Council has put forth over the last 12 months. I am truly one blessed Grand Knight!

Here is just a short recap of what **YOU** accomplished this year.

#### **Faith:**

You prayed and attended five "Holy Hours". You supported our "Vocations Raffle" and attained the Council's goal. You prayed at the "Icon Prayer Service". You supported and met the Council's goal in funding the "RSVP" program. You attended a new program, the "Rosary for the Souls in Purgatory" service at both parish cemeteries. You will walk in silent prayer for World peace, following our Lord via an evening "Eucharistic Candlelight Procession" through the streets of our community. You supported our "Neuman Fund" efforts and hit our goal which will aid the effort to provide a safe place for our Catholic college students to gather and practice their faith. You supported a new program that placed KC Rosaries on "Lend a Rosary/Keep a Rosary" stands in both of our parish churches which allowed our fellow parishioners to borrow or keep a rosary when they were in need. (On a side note, this new program gained us an award for Program of the

Month and was reported in Columbia Magazine in the Knights in Action section, which brought international attention to our Council! Thank you, Sir Dennis!

#### **Family:**

You provided our two parish grade school's artists with an outlet to show off their talents via the "Keep Christ in Christmas Poster Contest". You worked the "Parkfest" that supplies funding for our Council to continue to offer College and FMGHS scholarships. You provided thousands of pounds of food and thousands of dollars in support for the "Food for Families" program. You provided funding for many, many kids to have a nice Christmas with the "Children in Need Christmas Shopping Spree". You provided an event that let dads enjoy an evening of dancing with their daughters via the "Father/Daughter Dance". You stood in the back of your parish church and distributed "Consecration of the Holy Family" prayer cards to your fellow parishioners. You provided the funding to meet our goal in the "GAF Fund"!

#### **Community:**

You afforded your Council with the ability to provide winter coats for toddlers in need via the "Coats for Kids" program.

**Continued next page...**

## **Grand Knight continued...**

You brought shovels, chain saws, rakes, clippers, and the sweat of your brow, to help the Glen Ed Food Pantry clean up their new lot to make way for their new building. You chased after soccer balls and provided the kids of our community an opportunity to participate in our "Council Soccer Challenge". On a quarterly basis, you dawned your new KC safety vests to work the "Highway Cleanup Program" and walked the three-mile round trip along IL Hwy. 143 picking up roadside trash to provide a prettier drive into the City of Edwardsville. You worked the "Council Free-Throw Contest" to offer an opportunity to boys and girls who wanted to demonstrate their basketball prowess! You worked your tails off at the "Hops for Heroes" event and sent a great many veterans on a trip to Washington DC to see their war's national memorial. You flipped pancakes at the "Breakfast with St. Nick" and the 4<sup>th</sup> Degree's Pancake Breakfasts to support "Warriors to Lourdes". You worked and played golf in the Council fund raising golf scramble. You provided the funding to the Catholic Boy Scout troop so they could award Faith efforts within the troop. You will be cooking hot fish for the Bonifist.

### **Life:**

(This category **is** the nearest and dearest to your Grand Knight's heart, and you did this Council proud!)

You worked and supported six "Blood Drives" throughout the Fraternal Year. You walked the beat at the Hope Abortion Mill for two 12-hour days in support of "40 Days for Life". You stood outside businesses in our community and collected funding in support of our "I.D. Drive". You attended and prayed at the "Silver Rose Service". You prayed the rosary of Our Lady the second Saturday of every month either

on the curb of the abortion mill or in the pews at St. Mary's during inclement weather to support our "Rosary for Life" program. You provided the funding to meet the Council's goal for the "Respect Life Fund". You provided support to several local Pregnancy Care Centers at a time when our State is trying to put these support centers "out-of-business"! You marched in the State's March for Life Rally.

You worked countless Fish Fries which supplied the bulk of the funding this Council needs to prosecute our charitable programming. You attended "Corporate Communion" in support of your brothers, praying and receiving the Eucharists in unity and fraternity. You bought your new swag to make our presence known in our parishes and in the public eye. You worked on the grounds and physical needs of the Hall and supported those efforts by serving in and supporting the Fred Mills Club. Many, many of you worked for other events and charities outside the realm of the KCs. These efforts demonstrated to the general public that no matter where a Knight stands, his efforts are trying to make life better for his family, his neighbors, and his community. You worked within our two parish churches and our three schools singing in the choir, serving in a ministry, serving on a committee, providing untold hours of assistance both in time and treasure. You have been the strong right arm of our faith! All these efforts have touched thousands of lives. Take that in just a moment, **your** efforts have touched thousands of lives!

I just cannot express enough how proud I am to have served in such a small measure the great work this Council has accomplished this past year. I am truly humbled and a bit

baffled that you cast your vote in my favor. I do believe we lost track of the omissions, the goofs, and the "Oh My Gods", that the membership pointed out in my meeting agendas and other communications. You are a forgiving bunch of Knights. I will forever be grateful for the wonderful bench of players I have often turned to for guidance. I was blessed with a wonderful cadre of Past Grand Knights, Past Faithful Navigators and Past officers that always had my back! I have also had the pleasure to serve for two years with officers, trustees, and program directors that continually kept this train on the tracks. I am quite sure there were times you thought we were sailing on the Titanic, but you all pulled together and kept me away from the ice burgs!

I am quite confident as I step aside and our new Grand Knight takes the gavel, this Council will continue to thrive. The depth and breadth of the members of this Council will not let it falter! Remember that we are 1143, we were the 1,143<sup>rd</sup> Council to take up the cause that Blessed Father McGivney professed! We have a wonderful heritage and I truly believe our best times are ahead of us! God will blame or bless all of you for allowing me a turn at the helm!

***"Jesus does not demand great action from us but simply surrender and gratitude."***

***St. Therèse of Lisieux***

You can rest assured I am grateful for all of you!

God Bless,

Doug Hastings

## 4th Degree News Assembly 225

### ***Faithful Navigator's Letter:***

Sir Knights and Brother Knights All,

I wish to thank you all for a phenomenal fraternal year! As a 4<sup>th</sup> Degree (and with support from the General Council), we held a lot of great programs supporting our parish and our Veterans. From hosting two pancake breakfast benefiting Warriors to Lourdes to marching proudly in the Veteran's Day parade and placing flags on Memorial Day at both parish cemeteries, we were a presence in community! Additionally, the Assembly's Sir Knights in Regalia participated in over 9 Honor Guard / Color Guard events throughout the fraternal year. The Assembly was well represented both on the local and state level programs.

Thank you for your support for me humbly serving as the Assembly's Faithful Navigator

these past two years! The success of these two years would not have been possible without your hard work and willingness to volunteer for our programs. As we look to the next fraternal year, I ask that you please show the same energy and commitment you have shown me for the incoming Faithful Navigator and Officers. Let's keep this momentum going! Now more than ever, our parishes and communities need proud, patriotic Catholic gentlemen to be examples of displaying solidarity with our Priests, Veterans, and our communities!

Thank you again for your Yes to the 4<sup>th</sup> Degree and the Knights of Columbus!

God Bless,

Ryan Fitzpatrick, FN

If you are a member of the 4th Degree please consider getting the regalia. We are in need of more members with regalia. The Assembly will reimburse you 50% of the cost of the regalia. If you are not a member of the 4th Degree, please consider becoming a 4th Degree Knight.

It has been a tradition of the 4th Degree Assembly to place flags on the graves of Veterans and Knights of Columbus members over the Memorial Day weekend. # ***Building the Domestic Church***

***While Strengthening Our Parish***

***The Family Fully Alive***

*Self-Giving Love*

*The form of marital and family love is given by God himself, who is love. The Christian family, the domestic church, has been entrusted with the irreplaceable vocation of being the first school of human and divine love.*

*June 2023*

## ***Breaking Open the Theme***

The domestic church is meant to be the primary place for education. Education should be concerned with the whole person and include moral, intellectual, spiritual and physical development.

As the primary educators of their children, mothers and fathers have many responsibilities. One of the most fundamental practices they must teach is self-giving love. Self-giving love not only places the good of another ahead of one's personal good, but also sees another's good as one's own good. In its fullness, self-giving love gives totally, without reservation, like Christ gave himself completely on the cross.

By embracing the vocation to the sacrament of marriage with its inherent openness to life, a husband and wife are prepared by God to be teachers of this kind of love. The most fundamental lessons of love are taught through ordinary daily life in the rhythm of a home in which God is loved and adored above all things. Through the struggles of daily life, acts of service and kind words, children learn the language of love from their mother and father. Every Christian family, as a domestic church, has been entrusted with the vocation to become a school of authentic love or, as St. John Paul II once put it, "a school of a deeper humanity".

June is traditionally devoted to the Sacred Heart of Jesus, celebrated each year as a solemnity on a Friday 19 days after Pentecost. The Sacred Heart devotion reveals the burning love of God in Jesus Christ, a love which is

stronger than death and given to us in the sacraments. By teaching children about Jesus Christ through devotions like the Sacred Heart, families personally connect to the source of life and love itself.

## ***Meditation***

*from an article by Supreme Chaplain Archbishop William E. Lori*

Parents have, or should have, a unique relationship with their children. They have been called by God to love their child with the same faithful, self-giving love in which the child was conceived. ... To be sure, the notion of "self-giving love" is not an idealistic or naive concept dreamed up by theologians. It is demanding and sacrificial. Self-giving love has its source in the Trinity and is revealed most fully by Jesus on the Cross. It requires what Pope Francis calls "an exodus from self" so that we might focus on the needs of others, even when that causes disruption in our lives. ...

Most fundamentally, teaching children the "art of living" involves lessons of faith and character. Parents teach children their first prayers, bring them to Mass on Sunday, and help them develop a basic sense of right and wrong coupled with a sense of responsibility. They also teach gratitude and generosity by helping their children learn to take care of their possessions; to not always expect to have the latest and best of everything; and to grow in the habit of sharing what they have with others. Moreover, parents help their children learn to handle life's inevitable disappointments,

**Self-Giving Love**

including the invidious comparisons that are part of the highly competitive and materialistic culture in which we live. Such lessons are best learned at home, in an atmosphere of respect and love. ...

As Pope Francis said, “Parents are called ... not only to bring children into the world but also to bring them to God” (Lumen Fidei, 43).<sup>65</sup>

1. What do we learn from our family? Have we learned “the art of living”? If so, of what does this “art of living” consist?
2. What is self-giving love?
3. How have we learned about self-giving love from our family?

### **Scripture Reading — Psalm 119:1-3, 9-12, 33-38, 105-108**

*A prayer to God, the Lawgiver*

Blessed those whose way is blameless,  
who walk by the law of the LORD.  
Blessed those who keep his testimonies,  
who seek him with all their heart.  
They do no wrong;  
they walk in his ways.  
How can the young keep his way without fault?  
Only by observing your words.  
With all my heart I seek you;  
do not let me stray from your commandments.  
In my heart I treasure your promise,  
that I may not sin against you.  
Blessed are you, O LORD;  
teach me your statutes.  
LORD, teach me the way of your statutes;

I shall keep them with care.  
Give me understanding to keep your law,  
to observe it with all my heart.  
Lead me in the path of your commandments,  
for that is my delight.  
Direct my heart toward your testimonies  
and away from gain.  
Avert my eyes from what is worthless;  
by your way give me life.  
For your servant, fulfill your promise  
made to those who fear you.  
Your word is a lamp for my feet,  
a light for my path.  
I make a solemn vow  
to observe your righteous judgments.  
I am very much afflicted, LORD;  
give me life in accord with your word.  
Accept my freely offered praise; LORD,  
teach me your judgments.

### **Family Project**

An important part of love consists in doing things out of love for others, even things that we may find unpleasant. To encourage these little sacrifices, research and make sacrifice beads (also known as “good deed beads”), inspired by a practice that St. Therese of the Child Jesus used to do when she was a child. Sacrifice beads are essentially a way of helping the family look for opportunities to make little offerings of love to God through small acts of self-giving service.
